HEALTHY CANTEEN POLICY

South Street PS has a policy to provide healthy eating choices to children.

The school is required to provide these healthy choices in its canteen, but is also aware that the ultimate choice of a child's lunch rests with the parent.

For this reason, where possible, we have chosen foods that provide some healthy nutrients, contain fruit and veggies, and are moderate in saturated fats, salt and sugar.

Healthier choices are marked with ☺ symbol.

Special Food Days will be advertised via the “Snippets” during the term.

If parents have any lunch suggestions, we would be happy to hear from you in person, or via the suggestion box at the front office.
