Mamee Express Cup Noodles 60g

Mamee Express Cup Noodles were developed with school canteens in mind!

We know canteens are very concerned that kids can receive burns from boiling water when using this style of product. We took those concerns on board and developed a fitted lid that minimises the possibility of spillage and added a cardboard insulator for every cup. Using the lid & insulator means Mamee Express Cup Noodles can be made 15 - 20 minutes before lunch saving precious time when the kids are lining up. The meal is then hot but NOT BOILING. Every cup also contains a fork.
